LM,

Honestly, I don't know if I would
have gotten through this 19st month without
you. You've been so amazing
and I think you x million. I don't know how
but I found the only person who was willing and
able to deal with me. I am forever grateful.

Have is (small) to be
the remainder to be
distributed to your
stuff.

[P.S. I already
miss you] ←
